

**Spray For Life's B-12 Energy Booster:** Our “Spray For Life” Vitamin B-12 Energy Booster Spray is formulated using our innovative, patented NanMist® Delivery System that dramatically reduces the particle size of the vitamin molecules into Nanodroplets, therefore helping to increase absorption. It's a fine-mist spray formula that is sprayed into the mouth. It is designed to deliver 1,200 mcg of Vitamin B-12. Each bottle contains a 30 day supply.

**Absorption Challenges with Vitamin B-12:** Vitamin B-12 is the largest and most complex of all vitamins. When deficiency occurs, it is more commonly linked to a failure to effectively absorb B-12 from the intestine rather than a dietary deficiency. When we reduce the size of these molecules, the Vitamin B-12 is absorbed more easily by the body. Up until now, the treatment of choice to bypass the intestinal system, has been Vitamin B-12 injections to those who are deficient and have difficulty absorbing Vitamin B-12 in the intestinal tract. Our nano-spray B-12 has made it possible for patients/consumers to stop injections and get similar or better results (due to our easy daily dosage system).

**What is Pernicious Anemia:** is a chronic progressive anemia of older adults, typically over 50; thought to result from a lack of intrinsic factor (a substance secreted by the stomach that is responsible for the absorption of vitamin B12) We have a patent pending using our proprietary nano-process to treat Pernicious Anemia.

**Prevalance Rate of Pernicious anemia:** approx 1 in 680 or 0.15% or 399,454 people in the U.S.

**Why is Vitamin B-12 so important to your health?** Vitamin B-12 and B-complex is essential for cellular production, including red blood cells, maintenance of the nervous system and in the production of energy. Vitamin B-12 deficiency can result in anemia, degeneration of the nerve fibers, resulting in irreversible nerve damage and permanent loss of mobility. Signs and symptoms of Vitamin B-12 deficiency are: Fatigue and Weakness, Numbness and Tingling in the legs & sometimes in the arms, Agitation, Depression and Confusion.

*For a demanding 24-7 lifestyle*

**Revolutionary NanoMist Delivery System is the key to Health Plus International's novel Vitamin B 12 Energy Booster spray and redefines the limitations of absorption for supplemental vitamins.**

***Spray For Life'S® B 12 Energy Booster is the most effective over the counter pharmaceutical grade supplement of its kind.***

**Three simple great tasting sprays of this unique product, twice daily, delivers sufficient vitamin B 12 to achieve the wide-ranging benefits to your health and well-being for which this essential vitamin is known. This vital B 12 assists in meeting the stressful demands placed on our bodies by supplying us with optimal energy.**

**Appropriate supplementation with a vitamin B 12 has been shown to have proven clinical benefits in:**

- **Chronic fatigue syndrome**
  - **Impaired cognitive mental function**
  - **Depression**
  - **Diabetic neuropathy**
  - **Epilepsy**
  - **Autism**
- 
- **Asthma**
  - **AIDS**
  - **Multiple sclerosis**
  - **Sulfite sensitivity**
  - **Tinnitus**
  - **Gingivitis**

*Essential Vitamin for Life*

**Vitamin B 12 facilitates DNA and RNA synthesis, amino acid and protein metabolism, nerve cell and red blood cell development and function. With vitamin B 12, deficiencies most result from an impaired ability of the gastrointestinal tract (either because of age, disease or surgery) to absorb the vitamin.**

*Consequences of B Vitamin Deficiency*

**The B vitamins are vital for red blood cell function (hemoglobin synthesis and oxygen transport) and for nerve cell development and function. Deficiencies cause wide-ranging and serious symptoms that include:**

- **Fatigue and weakness**
- **Nausea, loss of appetite and consequent weight loss**
- **Constipation and gas**
- **Confusion and poor memory**
- **Depression**
- **Numbness and tingling in the hands and feet**
- **Difficulty in maintaining balance**
- **Soreness of the mouth or tongue**

**B 12 and Sleep**

**Those who can't get to sleep at night may benefit by supplementing vitamin B 12 during the day. Studies show that B 12 causes an earlier release of Melatonin at night, which resets the sleep-**

wake cycle, (Melatonin has been called "the sleep hormone" because of its effects on sleep). B 12 acts directly on the pineal gland to provoke a faster release of Melatonin. B 12 helps you get to sleep earlier, and may help you wake up earlier if you leave a curtain open to the morning sun. B 12 sensitizes you to morning light, which helps you wake up.

## **Conventional B 12 Supplements May not be the Answer**

Millions of Americans, already aware of the benefits of vitamin *B 12* , regularly take over the counter pills, tablets, capsules and liquids as a means of supplementation to achieve and maintain optimal levels of this health essential micronutrient. Poor delivery and absorption efficiency is such that only a fraction of the listed dose within conventional formulas may be available for use by the body.

## **B 12 Energy Booster Provides the Solution**

Like all of our products, this revolutionary new delivery system, utilizes the most advanced and patent approved technology to ensure a dramatic increase in the bioavailability of the vitamin B 12. This innovative, proprietary *Nanoceutical*<sup>™</sup> process and nutrient delivery system incorporates vitamin B 12 within microscopic Nanodroplets<sup>™</sup> of water-soluble natural solutions.

### *Mode of Action: Direct is Best*

When sprayed into the mouth, the Spray For Life® B 12 Energy Booster's tiny droplets are easily absorbed across the mucous membranes - into the circulatory system. The result is that much higher levels of this vital B vitamin reach the targeted areas compared to those achieved through conventional pill, tablet, capsule or liquid delivery. Additionally, the Nanodroplets<sup>™</sup> are designed to release the vitamin within a steady, time-controlled manner to ensure longer-term benefit from each single dose, enhancing efficiency even further.

Each pharmaceutical grade daily dose of B 12 *Energy Booster* delivers:

- 1200mcg. B 12 (cyanocobalamin) (20,000% of the RDA )

One vial contains enough product for 180 sprays or 30 days and unlike most proprietary supplements, *B 12 Energy Booster* is stimulant free , contains only natural ingredients and tastes great.

Join the pro-active spray revolution! Health Plus International's - *B 12 Energy Booster* is, without doubt, the best possible solution for your B vitamin supplementation needs. Quite simply, there is no other product like it. To ensure you achieve the best of health, energy, vitality and mental sharpness, and purchase your *Spray For Life® B 12 Energy Booster* without delay !
